King's Award Celebration Edition Rolling Mill

Durston's Latest Innovation In Rolling Mills.

King's Award Celebration Edition Rolling Mill: Agile Elite 110 and 140

Introducing the new Agile Elite Rolling Mill, a premium addition to the Agile series. Welcome to the King's Celebration Edition, a standout innovation in our rolling mills range, featuring a robust, smooth powder-coated copper finish and a long list of amazing benefits.

The Elite models bring enhanced features and tools designed to simplify your creative process. No other company has matched our innovation in rolling mill technology. As the leading manufacturer, Durston embodies excellence in rolling mills.

Agile Elite Features:

- **Expanded Flat Area:** More space for creating and pattern plate rolling.
- **Wire Rolling Grooves:** As standard on the main roll (combination models)
- **Comfort Fit Extension Rolls:** Create comfort fit pieces from 3mm to 7mm.
- **D-Shaped Extensions:** Includes three D shape extension roll sets.
- **Adjustable T-Bar:** Adjustable for easier and faster turning.
- **Ergonomic Revolving Handle:** Extra comfort when rolling.
- **Rear Catch Tray:** Powder-coated in white for easy visibility of your pieces.
- **Groove Pointer Bar:** For precision and ease.
- **Reduction Gearbox:** Famous Durston 5-1 or 4-1 reduction gearbox for effortless rolling.

Included Accessories:

- **Pattern Plate:** Kickstart your pattern rolled creations like earrings and bracelets.
- **Comfort Fit Rollers:** Sizes from 3mm to 6mm (Elite 110) or 3mm to 7mm (Elite 140)
- **D-Shaped Extension Roll:** Sizes 4mm, 3mm, 2mm, and 1.5mm. (+ 5mm Elite 140)
- **Additional D-Shaped Rollers:** Sizes 10mm, 8mm, 7mm + 6mm and 3mm.
- **Rear Adjustable Catch Plate:** Never lose pieces again.
- **Rolling Mill Cover:** Protect your investment from dust and environmental factors.

The innovative adjustable T-bar provides effortless roll adjustment, while the rear catch tray, powder-coated in white, ensures easy visibility and retrieval of your pieces.

Experience the unmatched quality and value of Durston with the King's Award Celebration Edition. This rolling mill is not just a tool but a lifelong partner in your creative journey. Each unit is uniquely numbered, with the first 1000 offering an exclusive ownership experience.

Be among the first to own this extraordinary piece of engineering and craftsmanship.
